

## Unit FM6.08 Human resource management in facilities management

*(At level 6, the evidence provided by learners to confirm that they meet the assessment criteria must relate to organisations where they have worked or where they are working. Where appropriate, the evidence should show that the learners have been able to take into account relevant theories and methods addressed by the BIFM qualifications at levels 5 and 4.)*

### Aim of unit:

This unit enables learners to plan facilities management workforce in relation to organisational plans and objectives, understand the factors that impact on workforce planning and the benefits of a diverse workforce. It helps them to know how to take difficult decisions in relation to workforce planning and performance and understand the importance of having transparent disciplinary and grievance procedures. This unit also enables learners to create a learning environment in own organisation.

<b>Title:</b>	Human resource management in facilities management	
<b>Level:</b>	6	
<b>Credit value:</b>	6
