

Unit FM6.01 Strategic facilities management

(At level 6, the evidence provided by learners to confirm that they meet the assessment criteria must relate to organisations where they have worked or where they are working. Where appropriate, the evidence should show that the learners have been able to take into account relevant theories and methods addressed by the BIFM qualifications at levels 5 and 4.)

Aim of unit:

This unit enables learners to understand the influences and drivers on facilities management, how to market and promote facilities management both within and outside own organisation, the importance of innovation in facilities management and how to apply development in facilities management within an organisation.

Title:	Strategic facilities management	
Level:	6	
Credit value:	10
